PATHWAY TO STOP DIABETES CALL FOR NOMINATIONS

The American Diabetes Association is pleased to announce that the Call for Nominations for the Pathway to Stop Diabetes Awards is now open. Pathway provides substantial support to exceptional scientists who are early in their diabetes research careers or who are established in other disciplines but are interested in applying their expertise to diabetes research. Applications are due 1 July 2015, for anticipated funding to start 1 January 2016. For more information, please visit <http://www.diabetes.org/pathway>.

WEBCASTS FROM THE 62ND ANNUAL ADVANCED POSTGRADUATE COURSE

Free-of-charge webcasts from the 2015 Postgraduate Course reflect the latest information on the management of diabetes and its complications, with practical tips and proven strategies for improving patient care and translation of the latest diabetes research into clinical practice. For more information, please visit http://professional.diabetes.org/presentations_details.aspx?session=4589.

DIABETES CORE UPDATE PODCASTS

Diabetes Core Update is a monthly audio podcast devoted to presenting and discussing the latest clinically relevant articles from the American Diabetes Association's scholarly journals. *Diabetes Core Update* audio podcasts are free and can be accessed through iTunes or RSS feed. For more information, please visit diabetesjournals.org/site/podcasts.xhtml.
